WEEKLY REPORT ROUND 4

Senior Report - David Loats

“ after coming off a solid win last week the challenge to the boys this week was to back up their performance we travelled to Melbourne Uni to take on the Blacks which is never a easy task. It was a tough hard fought game which we expected and it was pleasing to come away with the win our better players included **Morley, Kingsley, McGuigan, Goldblatt** and **Clarke**, However it was a real team performance with all 22 players contributing”

Reserves Report - Anton Schmidt

A slow start and poor conversion in the second quarter cost us dearly.

We kicked 1 goal 6 behinds to their 3 goals 3 in the second quarter.

We lost the second half by seven points, so again we were very competitive.

Our poor starts and drop off in intensity during games is costing us dearly.

When we play as a team and stick to team rules and our structures, we are a good side.

When we start doing this for four quarters we will win games.

The highlight of our day was **Chris Bell** from the U/19's.

He led the way in tackles and 2nd and 3rd efforts.

He ran himself into the ground and never stopped working hard all day.

It was a delight to have Chris playing for us.

Other players that worked hard all day were **Brad Tymmons, Andrew Allan, Alex Mackenzie, Tim Nichols and Caine Hillier**.

We will regroup ready to take on Hampton Rovers this Saturday.

A win is not far away.

Under 18's - Howard Mitchell

U/18's have received a match report direct from Howard.

"PLEASE SUPPORT OUR TEAMS BUT DON'T GET STUCK IN TO THE UMPIRES!"

.....The VAFA have to fill 182 field umpires positions every weekend and currently they are under resourced.

We ask you to support our teams but please don't get stuck in to the umpires. The VAFA are seeking support of spectators, coaches, players etc. To quote Brian "Benny" Goodman, General Manager, Umpire Operations : "umpires need encouragement and support by not being yelled at in a derogatory manner and being constantly abused as at the moment we have a few umpires thinking about giving umpiring away due to this constant abuse. I am not saying people cannot barrack and yell out but would like to see them yell out and support your team/s rather than criticise umpires who are also doing their best just like your players. We have a good coaching panel in place and we are making good progress but this will only continue if we keep umpires in our ranks.

So as you can see we are under resourced and although we are providing 2 field umpires in most games this will not last if the current situation is not rectified so again I ask for your clubs support in this very important matter.

If you know of anyone that would be even remotely interested in umpiring please let me know and I will contact them.

Should anyone know some one interested in umpiring please contact Brian on
