WEEKLY REPORT ROUND 6

Senior Report - David Loats

“ We were up against the in form St Kevins this week away in the parklands by the S.E Freeway we got off to a ok start with a couple of early goals and found ourselves in front by 12 points at quarter time, the form continued into the 2nd quarter with help of our forwards **Kent Kingsley** again the leading the way up forward. We went into the long break 18 points up. Coming out after half time the challenge was to keep the intensity that was displayed in the first half as we knew St Kevin's would not lie down. It was a disappointing 3rd quarter as we let the opposition back into the game and we were down by 9 points at 3qtr time. The challenge to the players was to see if we could respond and again we couldn't run out the game which is very disappointing We went down by 30 points . Our better players were **Heffernan, Kingsley, W.Carlyle, B.Carlyle and DeSanctis**”

Reserves Report - Anton Schmidt

Another slow start saw us 25 points behinds at the first change, and if it wasn't for St. Kevin's inaccuracy it could have been a lot worse. We lifted in the 2nd quarter and outscored St. Kevin's to go in at half time 15 points down. **Tim Nichols** went onto O'Keefe who kicked something like 3 goals 5 behinds in the first quarter. **Tim** played a great quarter of footy and gave us some run out of the backline. For the first time this season the twos felt like a team. Unfortunately we could not sustain this form in the second half. St. Kevin's had 11 scoring shots to our 3

putting us 38 points down going into the final break.

We tried hard in the last quarter but we had 1 fit player on the bench and not a lot of options. We kicked 2 goals 4 behinds to their 5 goals 5 behinds.

We still have a way to go but we proved to ourselves in the 2nd quarter that we can match it with the best, but we need to sustain it for 4 quarters.

Our better players on the day were **Tim Nichols, Tom Peasnall, Rob McKendrick, David Walpole, Trent Angove and Luke Kelly.**

We have St. Bernard's next week. Again this is a winnable game.

It would be great if we can get as many people down to support the twos and help us get our first win.

Under 19's Report - Tim Kilworth

OCG met a very feisty competitor in B-T. Whilst they have a bit of trouble scoring, they put a heap of pressure on our boys and really made them earn every possession. We learnt a big lesson on the day and we would hope that this game will be a good build up for next Saturday's top of the table clash against St Bernards at St Bernards.

Major goal scorers were **Killer with 6, Harry Brown with 5, Nick Latsas with 4 & Simon Bennett with 3.**

Better players were **Tom Byrnes, John Frattin & Rob Deev.**

Under 18's - Howard Mitchell

GETTING THE MONKEY OFF THE BACK

We came to Round 6 with the pressure clearly mounting for a positive result. The home and away season was a third of the way through and we would lose touch with the four if we didn't start winning games.

After seeking nominations from the players, we announced the Leadership Group for Old Camberwell's first ever U18 team. The first Captain of Old Camberwell Under 18 is **Sean Barry**. Sean's commitment to overcome illness, address his fitness issues and embrace a fresh attitude towards team football has been very impressive and he will make an excellent leader.

The first Vice-Captain of Old Camberwell Under 18 is **Nick Ross**. Nick prefers to show how things are done rather than waste too much time talking about it. He is a workhorse and an excellent example of pushing himself for the whole game.

The remaining three members of the first Leadership group of Old Camberwell Under 18 are **Matt Boyall, Eamon O'Donnell and John Young**. Here is a mix of football experience and youthful enthusiasm. What these three blokes have in common is a desire to improve, an excellent work ethic and a commitment to this team and their team-mates.

It was very pleasing to see the ever-improving application of concentration and adherence to team rules. We, once again, made a solid start kicking 7 scoring shots to 3 in the first quarter. We relaxed somewhat in the second quarter with only 3 scoring shots to our opponent's 5.

After taking stock at half-time, there was a renewed resolve to make our second half better than our first. The result was 9.5 kicked in the second half compared to 8.2 in the first half. The most pleasing aspect was that, once again, our last quarter was our strongest scoring quarter.

Now we have a winning score on the board, and the experience of receiving the ultimate reward for effort with four match points should make all players realize that the preparation and planning and attitude we are pushing for is all worth it. The singing of the club song after the game was a special moment.

Best Players in a very even team performance were: **Phil "Tomahawk" Bennett, Matt "Popeye" Boyall, Steve "Green Beret" Harris, Nick "Marathon Man" Ross, Jason "Pocket Rocket" Edwards and Sean "Panzer" Barry.**

Club XVIII Report - Matti Whitehead

For the first time all year we looked like a professional unit – we had a trainer, a runner & a coach!!! After an even first quarter dominated by both backlines rebounding the ball easily, our composure, ball movement & usage improved dramatically in the second quarter which gave us a handy 4 goal lead at the main break. The third term saw us fall back into some bad habits as North Old Boys used their run to close the gap to 9 points at the last break, however after a plea from the coach, the boys responded and ran out victors by 33 points. Although it was a great team effort after a slow start, our best players for the day were **Gough, Kearon, Singh, Byrnes brothers & Ryan** with special mentions going to **Patty & Buffa.**
