David Loats - Seniors

"After getting off to a good start we found ourselves in front by 5 goals at quarter time we knew going into the 2nd qtr Ormond would come out hard which they did unfortunately we were unable to match it. Our hard work was bought undone going into the long break. With **Durling and Mcguigan** keeping quiet **Martinov and Robbins** for the majority of the game we were confident coming out after half time we could run over the top however this was not the case and it ended up being a very disappointing loss. Our better players included **Oswald, McGuigan, Durling, Sutherland and Goldblatt**"

Anton Schmdt - Reserves

Again a poor start cost us on Saturday. We failed to kick a goal in the first quarter. The score was 0.1 to 3.4. Sure, we were kicking into a strong breeze, but we managed to win the last 3 quarters by 3 points to lose the game by 18 points. Ormond are equal 4th on the ladder, so we know that we are competitive, we just need to play four quarters of footy. **John Nockles and Cameron Wilson** played their first official senior games for the club and both played very well. They added a bit to our side on Saturday. The reserves need to stick together, make sure that they attend training and work hard at training. If we do this we will win a number of games in the second half of the season, starting with this week against Carey. We had a number of good players on Saturday including, **P. Storey, A. Hudson, C. Woodbridge, A. MacKenzie, J. Nockles, D. Hanson, C. Bennett, M. Cottrell. Trent Angove** rucked all day while our midfielders of **T. Barrow. T. Peasnall and Benny Atkinson** worked hard all day. Our goal kickers were **W. Robinson 3 (on one leg), A. MacKenzie, B. Hillier, C. Hillier.**

Tim Kilworth - U/19's

Old Camberwell's Under 19s continued their winning form for another week, defeating the gallant Banyule/ Viewbank by a 167 point margin. Played at the Gordon Barnard Oval, it was an all round team effort by the boys with 14 goal scorers. The Wellers now look ahead to next Saturday where they meet the competition's front runner, Fitzroy at the GBO. It will be an exciting challenge for both teams. I am certain that the boys would appreciate the support of the Wellers faithful and get down and support the boys.

Goal Kickers: **S. Killworth 5, A. Benson 4, S. Riley 4, A. Goldblatt 3, J. Robinson 2, H. Brown 2, J. Kennedy 2, J. Frattin, B. Lord, S. Bennett, S. Sharp, R. Deev, D. Mitchell, N. Searles**

Best Players: **A. Goldblatt, S. Riley, S. Bennett, D. Mitchell, A.**

A HOLLOW WIN BUT A WIN ALL THE SAME

The Under 18's had their first taste of night football at VAFA's Elsternwick Park last Friday under miserably cold conditions with an icy win that would have cracked the proverbials on a brass monkey.

We were reduced to only 19 players when two didn't arrive and our preparations were disrupted with 8 players arriving late. Our opponents, Therry Penola, were a young, enthusiastic side who were impressive with their pre-match preparations.

The game was a low scoring affair with plenty of mistakes made in the cold conditions. We were physically bigger and stronger but our opponents kept working away and keeping their nose in front. At the last break we were two goals down but going home with a strong wind.

The last quarter was again Old Camberwell's strongest with a doubling of the score by kicking 4 goals and keeping Therry Penola goalless to run out 18 point winners. It was great to get the much needed 4 points but the game should be a wake-up call that improved preparation and planning is needed if we are to beat the sides above us.

Best Players were: **Teri "Scud" Miriklis, Pat "Beeb" Birtles, Nick "Marathon Man" Ross, Brad "Squid" Dean and Dom "Lightfoot" La Fontaine.**
