## Round 10 Newsletter

### David Loats - Seniors

" after our RD 1 performance against Old Melburnian's I was keen for the group to put up a better effort this time round, again we jumped out of the blocks and found ourselves 14 points ahead at quarter time we were playing pretty good footy and Old Melbourne were on the back foot our emphasis before the game was our pressure which we carried out well in the first quarter, however they clawed there way back in the 2nd quarter kicking 8.1 to our 2.2 and we were down by 21 points at half time. Going into the 3rd term I was confident If we played like the 1st quarter in pressuring the opposition and moving the ball quick we were in with a show, unfortunately this was not the case and Old Melbourne ran out the game a lot better than we did and clearly fitness and skills level was a big factor. Our better players were **K.Kingsley (7 goals)** **C.Hendrie**, **R.Tallis**, **D.Morley** and **D.Mcguigan**"

### Anton Schmidt - Reserves

After a stirring win against Carey last week we went into this game with 11 of last weeks players either injured, unavailable or promoted to the seniors.

It was a battle just getting a team together for this game.

We had **Eric Gemmes**, who has not trained or played for two years, kicking 4 out of our 6 goals.

**David Gough** played 4 quarters in the Clubbies then played most of the game for us.

**Dom La Fontaine** played in the Under 18's game at St. Bernard's in Essendon.

**Dom** drove from that game to GBO and played the second half for us.

**Brett Cottrell** who has been suffering with OP, since last season, drove to Brunswick to get his gear so that he could help us out. We had two injuries by half time and no bench for the last quarter.

Thank you to these guys for helping us out on what proved to be a very difficult day for the twos. We were severely undermanned against OM's who are undefeated and a very slick outfit.

The game started off brilliantly for us with **Stan** getting the hit-out, **Tom Barrow** getting the clearance, **Stan** following up getting the handball off **Cam Wilson** then hitting **Eric** on the chest. **Eric** went back and goaled from 40mts out. This was the first paly of the day. This was our biggest highlight for the day. OM's went on to kick 25 goals, 11 (in the 1st quarter), to our 5 goals.

We battled really hard against the odds. After quarter time we went man on man all over the ground to ensure that OM's earned every possession.

Our Goal Kickers: **E. Gemes 4**, **T. Barrow**, **S. Mulligan**

Our Best Players: **T. Barrow**, **D. Hanson**, **S. Mulligan**, **E. Gemmes**, **B. Tymmons**, **B. Atkinson**, **D. Wilkins**, **D. Middleton**

We really need a commitment from all players for the remainder of the year so that this year is not a complete waste. If players are prepared to continue to train and make themselves available to play we will win more games this year. If what happened on Saturday continues to happen then the season will be a waste of everybody's time and efforts.

### Tim Kilworth - U/19

Old Camberwell got off to a good start scoring 6 goals to the Panthers 2. After the quarter time break the young Wellers were looking very flat and operating at half pace. This attitude was struck upon by the Carey players and coaching team and they

ramped up their attack on the footy scoring 6 goals to 5 over the next 2 quarters. Late in quarter 3 the margin had shortened to 16 points, before a late goal in the third saw the Wellers go in to the break 21 points in the lead. It looked like a cracker final quarter was set to unfold. The first goal scored went to Camberwell, but then Carey were able to provide an immediate reply. This seemed to spark the Wellers into gear, as they then scored the next 7 goals unanswered to score a 67 point victory.

**Major goal scorers: Brown 3, Killworth, Benson, Latsas, Bennett P & Sharp J 2**  
**Better Players: Hart, Sharp J, Bennett P, Sharp S, Lattuada A & Latsas**

#### Howard Mitchell - U/18

UNDERMANNED BUT FAR FROM OVERWHELMED.

The busload of chinamen that the Under 18's obviously wiped out earlier this year continue to have undue influence. With 9 players unavailable (7 with injuries) from the 20 who played last week and only three coming back, we were looking at a possible forfeit.

A 'call to arms' was heeded by a couple of Camberwell Grammar students and two of our U19 players prepared to help out, it looked like we had 18 to play. Unfortunately, another last minute withdrawal by one of the U19s left us with only 17 and not enough time to find anyone else – especially when we were playing at 9:45am at the St Bernard's 'Pit'.

One thing is for certain - the character, guts and determination of this group of young men cannot be questioned. After finishing the last quarter and a half of last week's game with 16 players, it would have been easy for the playing group to succumb to the horrid run we're having. Instead, they took on the mounting obstacles and accepted the challenge.

They challenged St Bernard's all day who only broke free in the latter part of the final quarter when our blokes were near exhaustion from battling all day. Everyone had a crack and the midfield in particular were awesome with **Nick Ross and Brad Dean** giving their all. Congratulations to **Trent Sigalis and Sam Tarbet** on their debut with the Wellers – the start of long careers, we trust. Special thanks to Mick Price who put his hand up to play when he heard we were short and then went on to play for the U19s.

It was no consolation to be told by the St Bernard's coach after the game that he regarded us as the best team in the competition after our first encounter and he was surprised to see us so undermanned. "What doesn't kill you makes you stronger" goes the old saying. Well, I reckon we can't get much stronger so the next 8 games with a change of luck should be very interesting.
